She completed her core courses from the DCCCD and earned a Bachelor's Degree from the University of Texas in Arlington.

Lori has laid her footprints with different events throughout the year. Her volunteer history is extensive. She has volunteered with the, African American Read-In, African-American Read-In Scholarship Committee, Community Relations, SECC Campaign for the DCCCD, Faith-based Initiative, Financial Aid Institute, Student Success Summer Institute, Defendant/Offender Development Conference and she is a member of the Professional Support Staff Association.
